Belle Glade hires a city manager

The new city manager the Belle Glade City Commission decided Monday to hire will be beginning work in his new position by next Monday according to Mayor Ralph Kirk.

Kirk said Wednesday he had spoken to Robert Sanders, the only applicant interviewed by the commissioners, since the meeting Monday night and reported Sanders will probably be in town later this week to try to find a place to live.

anyone after only one Harris said he would be in favor of hiring Sanders if Commissioner Kenneth Sanders would agree to

take the job at the \$23,500 salary mentioned during the interview.

Commissioner Aubrey Farmer moved to hire Sanders immediately and the vote to approve was unanimous.

Even before the commissioners decided to hire Sanders, they agreed to hold off until he was on the job before making a decision on whether to hire an extra part-time employee at the city marina.

Following a discussion in a workshop session, the commissioners were informed Monday night an employee was needed on the job at least for 36 hours a week.

Altman indicated he was ready to grant the request made by the city recreation director to hire the part-time person but Farmer said the job could be accomplished by having the marina manager and assistant manager work over time, as well as allowing the recreation director to work a few hours a week.

"I'd like to wait until we have a city manager on the job before making a decision on this," Harris said. "If he thinks we need (the extra person) then I might be for it."

The commissioners also decided to extend the use of the Lake Shore Civic Center to the Palm Beach County Community Action Council as housing for the CAC Headstart Program.

The commission agreed in September to allow the use of the civic center for that use but only until the first of November. A delegation of "working farmers" appeared Monday night to ask for an extension of that time, however.

The commission agreed to the extension through Nov. 35 and Nov. 15, 1976. Construction work at the center is due to begin the first of December and Hattie Field, who led the delegation, said the building in South Bay, which is scheduled to become the new home for the program, won't be ready before January at the earliest.

Grady votes

Dr. Grady wound up a long and unsuccessful campaign to win the U.S. Senate seat held by Lawton Chiles when he cast his ballot Tuesday morning. He said he had been hurt by a hostile press and had no plans for the immediate future except to rest and "pick up the pieces."

JOHN HARRIS RECEIVES COMFORT FROM A GOOD SAMARITAN ...following wreck on SR715 last week which left three dead and two injured

SR715 claims 4 lives

Four people were killed in two traffic accidents on SR715 last Wednesday and the fact was advertised by an hours-long power failure in South Bay.

The first accident took place at 4:25 p.m. on SR715 near Hookers Highway.

James Wocher of West Palm Beach, Tessie Tapel, a 23 year old nurse's aide at Glades General Hospital and Baava Rittankoski of West Palm Beach.

Miss Tapel was a passenger in a car driven by Elena A. Aragon, 23, a graduate nurse who suffered a broken leg in the accident.

Wocher was driving the other vehicle involved in the accident according to Florida Highway Patrol Trooper H. C. Murphy and Trooper P. C. May, who was also carrying a third second passenger, John Glen Williams, 17, with no address.

Williams was listed in critical condition at St. Mary's Hospital in West Palm Beach.

Both the nurses were Philippine natives. Rittankoski was born in Finland. The troopers said the car carrying the two nurses was northbound on SR715 and veered into the southbound lane, slamming headlong into the vehicle carrying the three men.

The second accident took place at 9:30 p.m. at SR715 and SR80, killing 14 year old Alice May Ford of 29 Carver St. in Belle Glade.

She was riding in an automobile driven by John Harris of 205 N. W. 10th St. in South Bay. Another passenger was two-year old Earlelawn Walker of Belle Glade.

That accident took place when Garfield L. Johnson of

Ruskin was driving a truck failed to stop at the intersection and smashed into the side of the car driven by Harris.

After crashing into Harris' car, the truck skidded into a

utility pole, dragging down the pole and the lines and causing a blackout in South Bay.

The same utility pole was hit the next night, causing another outage in South

Bay. The bob tail truck being driven by David J. Hodge of Marion, Inc., slammed into the pole Thursday night, severing it and bringing on another blackout to South Bay.

Jury district ok

A separate jury district for the western part of Palm Beach County was approved by judges sitting on the 15th Judicial Circuit during a meeting held at noon Wednesday.

The judges, who approved the recommendation made last week by a sub-committee, came on a 9-5 vote. The next step is authorization by Chief Judge Thomas Scholtz to hold jury trials here and approval of the request of the judges by the Palm Beach County Commission.

Circuit Court Administrator Robert Horey indicated the request will be presented at the next county commission in approximately one week. Horey said the trials may not begin before another six months have gone by since the circuit court has cases scheduled into the fall of 1977.

The jury district has been the subject of a concerted campaign involving a new state law. The one group actively opposing the new district is the Palm Beach Bar Association.

Florida State Commissioner of Agriculture Doyle Conner said in a discussion in Belle Glade last week he wished there was more his department could do to help sugar growers during this time of depressed prices but he doubted whether even another sugar act would help.

His comment on sugar was only one of several areas touched on during a Roundtable discussion taped by WSWN Radio while Conner was in town to speak at the annual Belle Glade Chamber of Commerce Awards Banquet.

The program, hosted by Don Garner and due to be aired at 12:30 p.m. Saturday, touched on a number of issues, including the Cross Florida Barge Canal, the national cattle embargo and other areas dealing with agriculture.

Conner said the Florida voter has been both opposed to and in favor of the canal at different times in the past and he believes the tide may turn again.

The reason the agriculture commissioner gave was that, the problems in providing energy for the nation could mean a heavier use of coal in the near future since

there is an estimated 600 year supply of coal and limited supplies of oil and nuclear fuels.

On the cattle embargo, which he said he strongly favors, Conner commented that the United States is the only country in the world which will continue importing a food commodity

when that commodity is already being produced in surplus within the country. Conner said he had been told by a group of

cattlemen in the Fort Myers area that they would donate a tenth of their herds to provide beef to be exported to areas in the world which need the food, in order to cut down the surplus in the nation.

He said he told the cattlemen their gesture would prove fruitless, even if the federal government accept the offer, "because they would only make up the difference by importing beef from Australia and

New Zealand."

On organizing farm labor, Conner said he feels this is one proposal which might be opposed even by labor in other parts of the country, because when the price of food is high, it affects everybody.

"A few years ago," he said, "young people were all wanting to get into the glamour industries like space science but now it's agriculture."

Anderson named Man of year at annual Chamber banquet

Members of the Belle Glade Chamber of Commerce named city Finance

Director Frank Anderson Man of the Year last week during the Chamber's

annual awards banquet while Belle Glade Patrolman Larry Austin was named Police Officer of the Year and Thomas Carpenter was named Agri-Industry Man of the Year.

Presenting the awards, outgoing president Roy Burch cited the number of times Anderson has been named Acting City Manager when the city was temporarily without the services of an administration head.

Austin was named Police Officer of the Year, largely because of the contributions he has made to the Police Department over the past year with the city's first police dog, Adam.

Carpenter is technical director for South Bay Growers, specializing in the chemical end of the industry. A resident of Clewiston he is the second man in as many years who lives outside the Belle Glade area to be named Agri-Industry Man of the Year.

E. W. "Bud" Weaver installed incoming officers of the last time as an in office Palm Beach County Commissioner. He installed Charles

Trammell, Milton Carpenter, Dale Stipp and Vernon Dexter as incoming board

members. Officers for the coming year include President Cecil Conner, First Vice President Wayne Mikell, Second Vice President Edward Duda, Treasurer Mary Orsengo, and Executive Secretary Jewel Crane.

The main speaker at the event was Florida Commissioner of Agriculture Doyle Conner, who was introduced by County Judge Don Adams. The welcome was given by last year's Woman of the Year, Ruth Wedgworth, the first woman ever to receive the honor.

Boating Marathon planned

The Belle Glade Chamber of Commerce's 11th Annual Boating Marathon and George Shick Memorial Race is scheduled to take place May 14 at the Belle Glade City Marina in the Ritz Canal.

The races will be conducted by the Chamber and the Boat Racing Club of Palm Beach County and will include boats racing in 11 classes in two one-hour marathons which will not be approved for records.

Flu shots given

More than 800 Glades residents received their swine flu vaccinations last Thursday and Friday during a two-day stand by the Palm Beach County Health Department in Bryant Auditorium at the Glades Office Building.

Mrs. Jody Damiti said a total of 824 Glades residents went through the lines last week but other area residents who wish may get their shots Nov. 20 at the Palm Beach County Health Department center on Northwest Tenth St.

Mrs. Damiti said she had 11 volunteers needed, headed by Mrs. Sandra Chambliss. She said volunteers came from the Belle Glade Woman's Club, the Junior Woman's Club, the Glades General Hospital Auxiliary and the local office of Community Action Migrant Program.

She said Mrs. Jo Hatten

coordinated the registered nurse volunteers and that all doctors in the area gave an hour of their time. Danny Jaume of the Pahokee Ambulance Service was also on hand all day.

Chefs in kitchen workshop set

The Palm Beach County Cooperative Extension Service is sponsoring a workshop entitled, "Chefs in Your Kitchen" at 10 a.m. Nov. 10 at the Glades Office Building Auditorium, according to Mrs. Arlen C. Jones, Extension Home Economics Agent III.

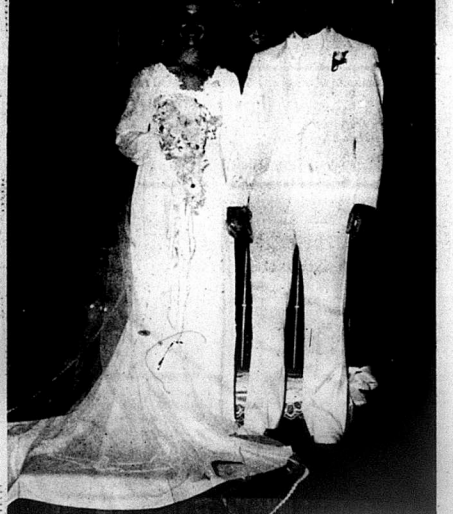

"Through wise use of appliances and cooking techniques," Mrs. Jones said, "homemakers can conserve on home energy

use. As the holiday season approaches, a knowledge of portable appliance usage can be an asset to entertaining and gift giving.

"Numerous portable appliances, especially the popular slow cooker, will be featured in this presentation," she said.

Mrs. Jones said certain portable appliances, through proper use and care, can accomplish food preparation tasks with a minimum of energy and much ease.

Mu Upsilon has Nostalgia night

The first meeting in October held by Mu Upsilon Chapter of Beta Sigma Phi Sorority quickly became Nostalgia Night as the members shared old scrapbooks and other mementos with guests who attended the meeting.

The guests, Paula Bowles, Janet Marr, Carol Lamb and Charlene Sizemore, were also on hand for a skit on chapter traditions and history and refreshments were served buffet style by hostess Aritha Keene.

On Oct. 9, Mu Upsilon was well represented at the Lasagne and Bingo party sponsored by City Council. Aritha Keene and Davene Bailey won prizes and Marsha and Paul Oren, Dorinda and Franklin Shutt, and Jim Keene were there.

The second meeting, held on Oct. 19, was held at the home of Davene Bailey. The program was presented by Aritha Keene and Davene Bailey on "Literature and Poetry." They chose to highlight poet Robert Frost. Plans were discussed for the bazaar and the next two socials. Refreshments were served to Marsha Oren, Karen Pierson, Carol Zumpf, Elouise Culppepper, Aritha Keene, Dorinda Shutt and hostess Davene Bailey.

Gold Pass cards available

Palm Beach County residents who are 62 years old or more may attend school activities where admission is charged at a reduced rate of \$.50 by obtaining a Gold Pass from any public school.

Superintendent Joseph M. Carroll announced this week. "The Gold Pass card, which has been available for the past two years, entitles its bearer to a reduced rate of \$.50 for any school activity where the admission charge is greater than that," Dr. Carroll said in noting that new cards for 1976-77 are now available in all 89 public schools.

The Gold Pass is sponsored by the Palm Beach County Principals Association in cooperation with the School Board and may be used for extracurricular events such as athletic contests, school plays or other school sponsored functions. "By state law, however, the Gold Pass cannot be used for reduced rates for educational classes offered through the Department of Adult and Community Education which has high school credit, general interest or community school courses," Carroll stated.

Miss Paris Diane Luettich became the bride of Bruce Gwain Wells Oct. 9 at McGregor Baptist Church in Fort Myers with the Rev. James O. Holbrook officiating over the double ring ceremony.

The bride is the daughter of Mr. and Mrs. Arthur William Luettich of Fort Myers. The groom is the son of Mr. and Mrs. Joseph Arthur Wells of 201 S. E. Sixth St. North in Belle Glade.

Given in marriage by her father, the bride wore a traditional gown of organza over bridal taffeta with high Victorian neckline, fitted bodice and Bishop sleeves of Chantilly lace. Satin ribbons trimmed the cuffs, waistline and neck line. Chantilly lace and sequins trimmed the tiered skirt and chapel train. Her veil of silk illusion was held by a five point headpiece of bridal taffeta with blossoms of Chantilly lace appliques and a single butterfly silhouette of seed pearls. She carried a bouquet of shell pink carnations and baby's breath with streamers of white satin.

Candace Wells Miller

sister of the groom, was the matron of honor. She wore a lime green gown of silk organza over taffeta fashioned in a sleeveless empire style of U neckline and tiered skirt. The neckline, sleeves and tiers were trimmed with matching organza ruffles. The empire bodice was of lime green satin. She carried a spray of shell pink carnations and Boston Fern with green satin streamers.

The bridegroom was served by his father as best man. Ushers were Joseph Arthur Wells III, brother of the groom, and Curtis William Luettich, brother of the bride.

Mrs. Luettich chose a street length aqua blue polyester dress with lace three quarter length sleeves mock cowl neckline and matching accessories. She wore a white double carnation corsage with greenery and white satin ribbons.

Retirement program offered to Glades area businesses

Glades area employers, agencies and social clubs are being offered this week a plan to help employees planning to retire in the near future ease into their golden years instead of taking an unplanned leap.

Pre-retirement planner Elliot J. Winograd of the state Division of Aging, Department of Health and Rehabilitative Services, was in Belle Glade this week to introduce local people to the state-sponsored pre-retirement manual.

"We have been given the responsibility of aiding the citizens of our State toward the eventual goal of a happy and contented retirement through planning," Winograd said. "This plan is one of our preferable long range program, beginning

with age 35, or a short range plan at age 62, or at any age in between."

Winograd said the program is the result of an exhaustive state-wide survey done for the Division of Aging, a study he said destroyed some myths such as the idea that money is the biggest problem faced by retirees.

He said the 400 page manual, "is jam-packed with the results of research and is full of thousands of facts, many narratives and suggestions for successful retirement. It deals not only with financials, but with such other vital subjects as health, housing, consumer protection, job hunting and re-employment, emotional and psychological adjust-

ments, fun in living, civic and cultural achievements."

He said anyone wishing further information can write, on company or agency letterhead, to Dale Altman, deputy director of the Division of Aging, at 1323 Winewood Blvd. in Tallahassee, Fla. 32301.

WINTER THOUGHT

At least once during every winter season, when the wind is especially biting and the temperature below the freezing point of George Washington and his troops at Valley Forge come to mind. According to all accounts, this was a situation almost beyond imagination. Food and clothing were in short supply and sickness and disabilities were prevalent. At one time, according to Washington's own records, about one of every four men was unfit for duty. There were a few who deserted the camp for more comfort, but the majority stayed and went on to win the war that made this an independent nation.

That terrible winter at Valley Forge was a long time ago and seems remote to us as we sit snugly warm in the comfort of well-heated homes. But let us occasionally think about the heroic efforts, the sufferings and deprivations of some of those that have made our great nation a reality and be thankful.

Our principles were embodied in the flag of the United States, to live today as it was when written for the ages in the Declaration of Independence and the Constitution. It is our duty to all the world to keep and defend the Union, to preserve the rights and a duty. While we must struggle on to the end, we must remember that the struggle is not for the sake of the struggle, but for the sake of the principles that we are fighting for.

Gov. Reubin Askew proclaimed Nov. 17 as Gospel Music Week in March.

Ervin Howard Johnson

Funeral services for Ervin Howard Johnson, 20, of 400 N. W. Ave. E. in Belle Glade, were held Wednesday at Mixson Funeral Home Chapel with the Rev. Walter Cobb Jr. officiating.

Johnson had lived in Belle Glade since birth. He died Oct. 30.

Survivors include his

parents, Mr. and Mrs. William "Happy" Johnson of Belle Glade; five brothers, Michael, Jackie, Richard, Bobby and Dennis,

all of Belle Glade; nine sisters, Ms. Gail Norris of Miami, Ms. Elaine Westfall of Belle Glade, Ms. Ima Jean Fields of Belle Glade, Mrs. Summie Holt of Belle Glade, Ms. Marilyn Rushing of Miami, Ms. Tribi Letu of Belle Glade, Shelia, Teresa and Jennifer Johnson, all of Belle Glade.

Burial was held in the family plot at Port Mayaca Cemetery. Mixson Funeral Home was in charge of arrangements.

Baptist Association to meet

The 37th annual session of the Greater South Florida Baptist Association will be held at St. John First Baptist Church in Belle Glade Nov. 9-14.

Surprise party given

A surprise birthday party was given last week for Kenneth Davison at

January's Grocery Store. Davison celebrated his 19th birthday.

Rainfall hits 34 year low

The lightest rainfall recorded for any October in 34 years at the Agricultural Research and Education Center pushed the Glades further in the rain hole for 1976, giving a deficit of 16.6 inches for the year.

AREC weather technician C. H. Wiegman said his instruments recorded only

0.81 inches of rain in October, the lowest in any October since 0.57 inches fell in October 1942.

With a 52 year average of 5.02 inches, that left a deficit of 4.13 inches for last month. "Of course," Wilcoxson said, "they might be having much more rain a mile or two to either side of the station."

"Bookmagic"

With "Bookmagic" the theme of National Children's Book Week, November 8-12, a dragon will seek the help of a fairy in the puppet show at the Belle Glade Municipal Library.

The Dragon Takes a Wife, a children's book by Walter Dean Myers, has been transformed by "Bookmagic" into a puppet show. Harry, the dragon, must win a fight with the knight in shining armor so that he can get married. But poor Harry just doesn't have what it takes to win until he gets help from Mabel Mae, a fairy with an Afro.

Local teachers are already signing up to bring their classes during the morning hours of the week. The general public-parents and

children is invited 4 p.m. Wednesday Nov. 10

My New Day

This sunrise is created by Thee, O Lord,
With the sky all rose and gold,
Hails a bright new day never lived before,
A day only one hour old;
With its golden hours untarnished,
Tis a treasure-trove for me;
A day to live and love and serve,
A gift to return to Thee.
